Instructions

1 Locate each piece inside the custom-designed bag.

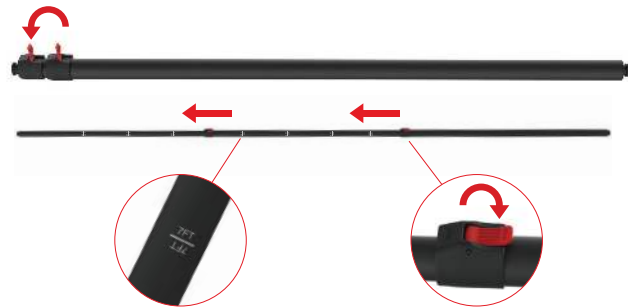

2 Remove each piece from the bag.

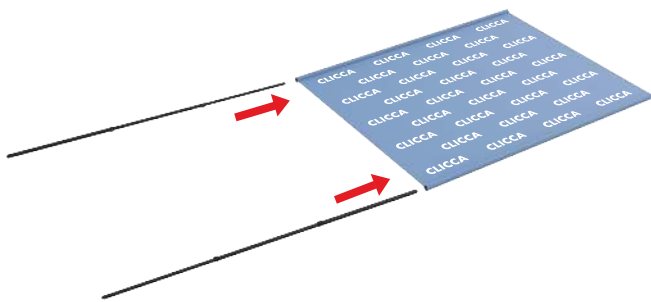

3 Insert the left and right vertical poles into the feet. They will automatically lock into place.

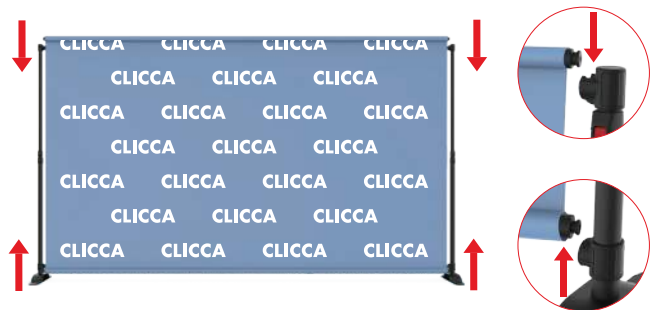

4 Adjust the pole length to fit the graphic width using the red levers and the length markings.

5 Slide the horizontal poles into the graphic's top and bottom pockets.

6 Lock the horizontal poles onto the vertical poles using the easy clips.

7 Adjust the height of the right and left vertical poles using the easy lever. Note: both sides must be adjusted at the same time.

8 Assembly is complete.
